

KINGS WORLD TRUST FOR CHILDREN

Successful Stories of Ex-Trust Children

Vijay, a Government Employee

Vijay's mother worked as a foster mother at KWTC. His father remarried and left the family. He was educated by the Trust. After his school education, he completed B. Com a three-year degree course at TDMNS Arts College, Kallikulam. He is now working in Indian Railways, Madurai as a assistant Ultrasonic Rail Tester. He is also a team player of the Railways cricket team and he represents the division of Madurai in all his railway cricket matches.

Maria Melba, a Science Teacher

Maria Melba lost his father at her very early age. Her mother is working as a coolie. She has an elder brother and elder sister. She was taken care of KWTC and was educated in a Tamil Medium school. Afterwards she completed her B.Sc. degree course in Physics. Then she graduated B.Ed. degree course. Recently she started to work as a Science Teacher in Keins School near Vallioor. The family is very happy and is grateful to the Trust for its support.

Naveen, a Team Leader

Naveen lost his father at his very early age. Her mother is sick and at home. He has one younger brother and one younger sister. The family sought help from the Trust and he and his two siblings were taken care of the Trust. He continues his school education until year 10 through the Trust's outreach programme. Then he successfully completed his three years Diploma Engineering course. Now, he is working as a Team Leader in Built up Engineering, a steel designing company at Goa. The family is so grateful to the Trust for its support in his life.

Jebastin, a Assistant Manager

Jebastin came to the Trust when he was studying in Year 6. With the support of the Trust, he completed his school education until Year 10. Then he did a three year Diploma Engineering course. Afterwards, he did a B. Com degree course in Distance Education. He is now working as a Assistant Manager at Muthoot Finance, Vallioor. The family is very happy and grateful to the Trust for its support in his life.

Roselin

Roselin lost her mother at her childhood. She has one younger sister. Her father remarried and abandoned the children. She was educated by the Trust. After

her school education, she did a 4 year Engineering Degree Course at Loyola Engineering College, Thovalai. Recently, she was selected to work as a Trainee in Calsonic Kansei Motherson Auto Products Limited Company in Chennai through a campus interview. She is so happy about the job and the support she received in her life from the Trust to attain this level.

Nandhini, a Lab Technician

Nandhini lost his father at her very early age. Her mother is sick and at home. She has one elder brother and one younger brother. The family sought help from the Trust and she and her two siblings were taken care of the Trust. After completing her school education, she did a lab technician course at Vallioor. She is now working as a lab technician in Madumitha hospital, a private child care Hospital at Vallioor.

Sutha, a Staff Nurse

Sutha lost his father when she was studying in Year 9. Her mother is a housewife. She has one elder sister and three younger sisters. She was educated by the KWTC. She did her General Nursing a three and a half year course in St. Joseph Nursing School, Dindigul. After her graduation, she worked as a staff nurse for three years in Manipal hospitals at Bangalore. Now she is working as a staff nurse in Fortis Hospital, Bangalore.

Kamaraj

Kamaraj's mother worked as a foster mother at KWTC. His father remarried and left the family. He has only one elder brother. He came to the Trust when he was at age 8. He was

educated by the Trust until Year 10. Then he did his ITI course in Fitter at The Salvation Army College, Aralvaimozhi. Now he is working in Epix Mobiles and Accessories, a mobile service shop at Chennai.

Higher Education Children

Grace Aruna:

Grace Aruna lost her father at her very early age. Her mother is a housewife. She has one elder brother and two elder sisters. Due to the financial background, the mother sought the help from KWTC. Then, she was taken care into the residential care of KWTC and joined in Kings School in 2008. She has been good in academics and scored 1159 marks out of 1200 in year 12. She always wants to become an engineer hence she applied for Bachelor of Engineering through a Government College and she went through interview of counselling on the basis of her merit. She secured admission for Bachelor of Engineering degree course in a government engineering college, Tirunelveli. Now, she is doing her final year engineering course. She is very grateful for the support she received from the Trust over the past 12 years.

Wedding of a Trust Child

Anuradha was just 3 years old when she lost her father. Her mother worked as a foster mother at KWTC and now is working as a assistant cook in Kings School. She was educated by the Trust. She did a Bachelor of Commerce Degree and worked as a Tutor in a computer center, Vallioor. She is happily married to a successful businessman on 30th October. The family is very happy for the support they received in her life.

A Career guidance session was organised for the students of classes 10-12 of Matric and 9-11 of CBSE on 18th October. The students those who are interested to choose Engineering as their career attended the session. Totally 90 students of Matric and 22 students from CBSE attended the programme. Mr.Ananthan, professor of Career guidance and students

development of Karunya University, Coimbatore briefed the students about the various career options in the engineering course and the importance of a vision and planning, difference between studying and learning, etc.,. The students of Karunya shared their testimonials to our students and explained them about how to succeed in their career. The session ended with an interaction session of our students with the Karunya Team.

Educational Tour

To enhance the knowledge of the students and broaden their outlook towards the outside world an educational tour to Cochin, Kerala was organised for the children of class XI on 12th October. They began the excursion on 12th October by Train and had visited many places in Cochin. They had a fun time together with their friends and teachers.

Open Day:

KG

Open day was held on 12th October to discuss the performance of KG students with their parents. It was a great interaction between the teachers and the parents for the development of their children where they discussed both the strengths and areas of improvements. The marks for the first term was shown to the parents and their suggestions were noted. The day ended with the conclusion that the progress of the students depends on the joint effort of parents and teachers.

Middle School

Open day was held on 12th October for Std VI – IX in their respective classes. Nearly 90% of parents visited school and got their child's report bee card and effort grade sheet. The class teachers shared the parents, the positives of their child and steps needed to improve their skill. Parents met activity teacher and sports coaches also.

Junior School

Open day was held on 12th October, Saturday for classes I-V. The parents collected their wards report card for Term-I. Parents shared their valuable suggestions in the KYP register. 95% of parents of each class turned up for the day.

Senior School

Open day was held on 12th October for Std X –XII in their respective classes. Nearly 80% of parents came to collect their ward's progress cards except class XI. They had enquired about their children's academic progress and also met the subject teachers individually to know better about their academic performances.

Internal Competition

Poem Recitation

A poem recitation competition was organised on 15th October in Kindergarten for the tiny tots. The children got an opportunity to exhibit their talent and confidence. The competition inspired the children to come forward and recite on stage. The children came up with different poems on the topic "Nature", "Mirror" and recited them with great zeal and enthusiasm. Students were judged on parameters like diction, delivery and memory. The judges appreciated and applauded the performance of the participants.

Diya Decoration

Diya can be defined as a small earthen lamp. Diya decoration competition was conducted for Kindergarten kids on 22nd October. Children brought diyas and decorative material for this competition. They decorated diyas beautifully. It enhanced their creativity. They painted, decorated and made beautiful and innovative diyas. They learnt how to make diyas more enticing and attractive. It was a wonderful experience shared by the students.

Bharathiyar Kavithaigal and Thirukkural Recitation Competition

The children of classes I-III had an opportunity to express their talents in their mother tongue Tamil by Thirukkural recitation competition. The children of classes IV & V recited Bharathiyar Kavithaigal; nearly 40 children participated enthusiastically. Prizes for the winners were distributed at the end of the competition by our beloved Uncle Colin and our Principal Dr. Frederick Sam.

Deepavali Celebration at KG

Deepavali celebration was organised for the children of KG on 25th of October 2019. The teachers put up a very beautiful Rangoli. The week began with children making lanterns. The teachers spoke to them about Diwali and the values of sharing and caring that these festivals teach us. The entire venue was filled with colour and excitement. The children then followed by speaking very confidently about Diwali. Dancing and excitement filled the air. The Kindergarten block was truly lit up with smiles and good cheer in this celebration of the festival of lights.

Orientation Programme

On Book Review

Mini orientation on book review was conducted on 4th October by Mrs. Reeta. She shared the importance of reading, the methods to be followed in book review and corrected the mistakes done by our students. She conveyed the new format of eager-eyes reading. Children must borrow two books every week. Every alternate week, students must submit the book review to the class teachers. The students who frequently write good book review were appreciated and complemented in the assembly with small gifts. Ashwina Snowly and Mary Jaya Faustina of class 8B shared their experience in reading books, their allocation of time in reading books. It was useful and expecting more eagerised reading reviews next time.

On Safety Drive

Orientation on safety drive was arranged by the management for the drivers of our school vehicle on 16th October. It was conducted by Apollo Tyres, Tirunelveli. The manager of our school gave the introductory speech on safe driving, how to ride the vehicle in limited speed and avoid the unexpected events during the driving of our school vehicles. It was followed by Mr. Mike, the representative of Apollo Tyres, Vallioor. He shared the benefits of proper tyre maintenance, which is needed for the vehicle's safety. He further briefed about the ways to extend the life span of the vehicle by periodically rotating and replacing the tyres.

BOARDING

Shopping

Shopping is a necessity and entertainment in modern life. We had our boarders shopping day on 13th Oct '19. A group of boarding boys and girls along with housemaster and Mistress proceeded to Vallioor in the late afternoon on Sunday for monthly shopping. Children had a walk and relaxed as it's an early drizzly evening and there were no cars honking and no full sidewalks and no chaos. They shopped to purchase for daily essentials at a super market, Reliance Trends, Krish Bakery & Ashoka textiles. It was a pleasurable and relaxed trip after a long week.

Movie Day

On 12th October, 2019 a movie day was enjoyed by all the boarders. 44 boys, 12 girls and staff members attended. The lion king movie was showcased. It was a really an awesome movie and the special effects were breathtaking, but the acting left something to be desired found many of the children found the movie interesting. It was a welcome and rejuvenating treat after a long week at school.

KINGS SCHOOL (CBSE)

Educational Tour

The students of Class XI were taken for an educational tour between 19 October and 21 October. Students visited Kochi, Kerala and went for boat riding and had a joyous time in Wonderla Amusement Park. Students were given special questionnaires to pen down their observation of events during the tour. Altogether it was a fun-time for the students as well the teachers sharing wonderful moments and cherishing long lasting memories.

Capacity-Building Programme

The academic supervisors Mrs. Daisy, Ms. Dulcy, Mrs. Ponmathi and Mrs. Manimala attended a capacity-building programme on the topic "Value Education" conducted by CBSE on 12th October at Nagercoil.

Orientation Programmes

Mrs. Anu, the Principal attended an orientation on 23 October conducted by Chrysalis. The meeting was on effective leadership that an educator would need in administering the school. It focused on four major factors teaching, assessment, learning environment and school systems.

The science teachers of the senior classes Mrs. Kogila, Mrs. Arul Selvi and Miss Jeba attended a two-day orientation on 13 and 14 October. The orientation was conducted by CBSE at Namakkal. The programme was headed by Mrs. Padma, the Principal and Mrs. Laxmi PGT Chemistry of DAV Girls Senior Secondary School, Chennai. The orientation gave the teachers several insights on how to handle senior classes without the students losing their interests. Various methods of teaching were introduced to enable interactive and lively classrooms.

Mrs. Kogila, Chemistry teacher of senior classes attended a two-day orientation programme conducted by CBSE at Tirunelveli. The meeting was held on 24 and 25 October. The programme was headed by Mrs. Shoba Raman and Mrs. Kanchana Mala PGT Chemistry, Vidya Mandir, Mylapore, Chennai. The orientation focused on helping teachers to link the classroom learning outcomes, activities and assessment based on the Revised Bloom's Taxonomy. Also the orientation highlighted on preparing questions that will arouse the curiosity of learners. Instructions on the pattern and the marking scheme to be followed while handling senior classes were given. The programme also gave new insights in preparing better lesson plans and to include several methods to enhance the teaching-learning process.

Open Day

Open Day was organised on 5th October for the parents of class 1-10. Parents met the teachers and spoke about the academic and overall performances of their children.

Internal Competitions

Solo Dance & English Elocution Competition

On October 9, Solo Dance Competition was conducted for students of Classes I – III. Students participated with great joy and enthusiasm and staged their dance skills. Parents were invited for the competition. Also the English Elocution Competition was conducted for Classes IV and V giving opportunity for the students to show their oratory skills.

Inter-house Ad Mad Competition

On 12 October, the Inter-House Ad Mad Competition was conducted for Classes VI & VIII. Students brought in their creativity to the stage by making funny commercials and also enlightened the audience about the fraudulent ads that is shown in the TVs.

External Competitions

Prarthana of Class IV participated in the Kenyoti, a four district basketball tournament conducted in KenBridge Senior Secondary School, Tirunelveli. She secured fourth place in the competition making the school proud. Also she was honoured in the assembly by the Chairman and the Correspondent for her bold endeavour.

Daenisha of Class III secured fourth place in the YMCA State Level Rapid Chess Competition conducted in Comrin International School. Her achievement was appreciated and she was honoured in the assembly by the Chairman and Correspondent.

The Cluster Basketball Tournament was conducted between 10 – 14 October in Suguna Pip School, Coimbatore. A total of 11 students took part in the under 17 matches. The students were honoured in the assembly for their participation by the Chairman.

Career Guidance Programme

On 18 October, a career guidance programme was conducted in the Burden Centre by Thirumalaiselvan. A broadened view on the various career options in the engineering course was given to the students.

SPORTS

Friendly Match

A friendly match between two teams is always fun to watch. The boys basketball team of Kings Matric School and St.Xaviers College Tirunelveli played an excellent match on 4th October. They displayed sportsmanship, passion, energy, rigor and excitement. Finally, Kings team won the match with a score of 77:48.

19th October, a friendly match was organised for Under 14 category at Vikasa School, Tuticorin. 12 boys of Kings Junior Team played against Vikasa School. They won the match with the score of 50:29. On the same day, 12 boys of Kings Under 16 boys played against VOC College, Tuticorin.
